

Study Visa Documents Checklist

The core set almost every study-abroad application needs — get these ready early.

Core documents

- Valid passport (and any old passports)
- Academic transcripts, certificates and mark sheets
- English test scorecard (IELTS / PTE / TOEFL)
- Statement of Purpose and, where needed, recommendation letters
- Proof of funds — bank statements, loan sanction, GIC
- Resume/CV (especially for postgraduate applicants)
- Work experience letters, if applicable
- Passport-size photographs to the required specification

Smart habits

- Keep a clear scan AND the original of everything
- Name your files sensibly
- Never submit blurry scans — they slow everything down
- Keep names and dates consistent across all documents

Not sure what your course and country need? Get a personalised checklist in a free GCI session.
